

Who Doesn't Like To SAVE MONEY?!

Time to reload my gas card

Use Scrip gift card purchases (giving you 2.25-15% back in statement credits) to lower or even completely wipe out your Marina HS Band Booster statement. These are things you were ALREADY going to spend money on:

- Gas
- Groceries
- Travel
- Department Store/Retail
- GIFTS for all and for all occasions!
- Restaurants
- Home Improvement
- Much More!

The average family earns about \$11/week with 700 merchants to choose from at <https://shop.shopwithscrip.com/>.

All it takes is a little planning ahead. Many cards are reloadable or electronic so no need to wait for a card to arrive. Install easy to use Raise Right App to use for added convenience!
